

By appointment to H.M. Queen Elizabeth II
Purveyors of Fire Protection Systems

'PLUS PLUS' TERMS AND CONDITIONS

Look at the extras you get!

Free Designs

Free designs are based upon receiving relevant dimensioned and/or scaled Plan and Layout drawings upon which to base our design and with a scope of system and type upon which to base our designs.

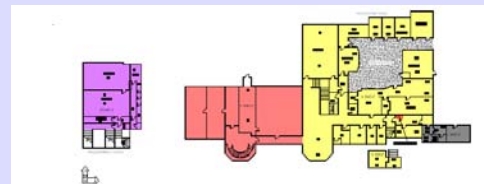

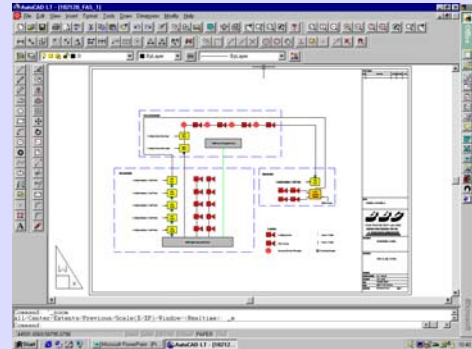

Design drawings will include Plan Layouts, a System Schematic and a Cause and Effect Programming Flow Chart.

Free As-installed Drawings

Supplied on the basis that we have relevant dimensioned and/or scaled Plan and Layout drawings upon which to input device symbols and wiring routes and types.

Free Framed Zone Chart

Supplied on the basis that the zoning is as per any Design Drawings we have produced for you, or alternatively you provide us with the zone detail either in writing or via submission of As Installed 'raw data' from which we are to produce As Installed drawings for you.

Free Delivery

Supplied on the basis of a standard 2 day service in a single consignment and a minimum order value of £750.00

Free Technical Support

Technical Help available 24/7. Outside normal hours phone 07801 678839 or 07801 678838

Free Commissioning and Certification

14 days advance notice is required and installation works must be fully completed. The offer is limited to a single commissioning visit.

Free On-Site Warranty

Besides the normal return to works exchange warranty, if the system has received a 'clean' Commissioning Certificate from ourselves and a Planned Maintenance agreement for the system is agreed between BBC Fire and either the Buyer or their Client, we will extend the warranty to an 'on-site' warranty and include not only system components, but also the entire installation.
